

# Christmas Holidays

School will be ending soon for the Christmas holidays.

I will finish school on \_\_\_\_\_

I will be off for \_\_\_\_\_ weeks

During the Christmas holidays, I can relax and do the fun things I like to do.

The things I would like to do are:

- 1.
- 2.
- 3.

My mum will use my calendar to show what we are doing each day.

At Christmas time people like to give presents.

This means I might have more people visiting my house or I might go to another house to give them presents.

My mum can use my 'Who's Visiting' visual to show me who will be coming to my house.

When visiting others, I must remember to wash my hands on entering their house, to help stop the spread of the coronavirus.

When the Christmas holidays are over, I will be going back to school.

My mum will show me on my calendar when school will begin again.

When I go back to school, I can tell my teacher and friends what I got up to over the Christmas holidays.
