Dear Parents / A Thuismitheoirí / Chaomhnóirí,

February is a special month in our school, and the children, together with their teachers and assistants, have been very busy creating beautiful St Brigid's crosses in honour and memory of our precious national saint and school patron. It is wonderful to see our faith tradition being passed on to the pupils of **St Brigid's Tirkane / Bunscoil Naomh Bríd**. We would like to sincerely thank our **R3/P3 pupils** for the lovely assembly presented to parents and grandparents on Friday in celebration of St Brigid's Day. We are also very grateful to the children who brought in rushes to support the traditional cross-making activities.

The children have settled back very well after the holidays and are working hard as we continue through **Term 2**. If you have any concerns regarding your child or children, please do not hesitate to contact the class teacher via **Seesaw**, or myself, to discuss these.

Thank you all for your continued support.

Ursula O' Hanlon

Suíomh Gréasáin na Scoile / School Website

We are constantly updating and posting on our website as and when notices/changes are made. Please log onto our school website to keep abreast of what is happening in our school. Múinteoir Clare in Rang 2 works very hard to post school business on our Facebook page too.

Afterschool for Foundation Stage

It is vital that parents contact the class teacher and book the club on ParentPay so that all staff are certain that the right children stay behind, and the others go home on the bus at 2pm. Teachers check their Seesaw messages regularly throughout the day and will only hold those who have definitely made contact with the school.

Please be mindful that we need to know who is staying for club at all times. We understand that things can crop up unexpectedly during the day and arrangements may need to change and in these circumstances, we are asking all parents to contact the school by phone to update staff.

Cruinnithe Tuismitheoirí don Bhunncréim **Parent/Teacher Meetings Foundation Stage**

Meetings for P1/2 R1/2 will take place in the assembly hall on Wednesday 4th February 26. Times have been arranged with all parents prior to the meetings. On this day all children in the Foundation Stage will stay at home.

Ag Bogadh ar Aghaidh / Beginning to Move On

The application process for year 8 Post Primary places opened on Tuesday 27th January. It closes on Thursday 19th February at 12 noon.

On Saturday 9th May 2026 parents/guardians will receive the outcome of this process via email/letter.

Applications are made online via the EA website and all parents/guardians must apply for a post primary place for their child/children.

This is no longer done in school. If you have a query or are experiencing any difficulty with this process, please contact the school and we will help.

We wish all the Primary 7/ Rang 7 pupils good luck in their decision making for their choice of school for next year. We ask God to guide all our young people as they journey through life.

Morning Supervision / Maoirseacht na Maidne

Pupils arriving into school from 8.30am to 8:55am must go to the Assembly Hall where they will be supervised by staff members on morning duty. This is our opportunity to sing/play together. Pupils are escorted at 8.55am from the Assembly Hall to their classrooms by their class teacher/assistants. Pupils arriving after 8.55am must go directly to their classrooms.

It is important that all pupils are in school for 9.00am as lessons begin promptly. We strongly encourage all pupils to arrive promptly to school as late comers can be disruptive to the teaching and learning. We are aware of pupils arriving after 9:15am.

Pupils arriving after 9.15am will be marked late on the SIMS register.

Internet/Media Safety/Mobile/Social Sites

In our school, every possible effort has been made to ensure the safety of all pupils while on the internet. The school has an Internet Safety Policy and the pupils are aware of the procedures within this policy. Mobile phones are not permitted in school for pupils. In the case of an emergency, contact is made with home via the landline in the General Office.

Smart watches with the ability to take photos and videos are also strictly prohibited. This is a new issue which has just cropped up this year.

Tionól / First Assembly of 2026

Primary 3/Rang 3 pupils presented their class assembly on Friday 30th January at 1:30pm in the school assembly hall. They certainly did us all proud! Well done to all involved and thanks to Müinteoir Ciara R3 and Mrs Cassidy P3 for their hard work and dedication to our Patron Saint Brigid and to Mrs Downey for her beautiful music. Thanks also to all who attended and made it such a special event and to the staff who helped serve the Tea/Coffee and treats.

RED DAY / LÁ DEARG

Wear Red this Feb!

On Friday 6th February we are having a Red Day to raise funds for The Children's Heartbeat Trust. We are asking all children to wear something red and bring a cash donation for this fabulous charity. Conan Convery who had heart surgery at birth, flies the flag in our school for The Children's Heartbeat Trust and we will be delighted to hand over our school's donation to Conan on Friday.

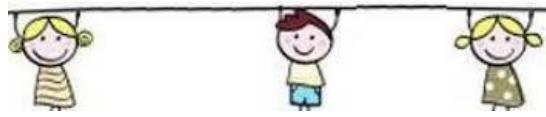

Seesaw Communication./ Cumarsáid Seesaw

The Seesaw app for Parents is a very quick and efficient way for parents to communicate with class teachers and we encourage this 2 way communication as there are many queries which can be picked up and dealt with in a timely manner. If you feel your child is struggling at homework time, please contact your class teacher and help and advice will be at hand.

Please ensure you have a copy of your child's Seesaw login should the need arise to provide home learning due to unforeseen situations/inclement weather events. This will be the main method of communication between you and the class teachers. Let your teacher know if you need a copy sent home.

This is different to the parent QR code login where you can communicate with the teacher by message

Nut Free School

We are strictly a nut free school. No food containing any trace of nuts or nut essences are allowed in the school. (Nutella etc.)

We have several children in our school who have such allergies. Some of them have severe allergies and even nut traces in the air can trigger a reaction. All supervising staff have been trained in the use of the EpiPen (Thank you Andrea for overseeing the training). We need everyone to be vigilant especially when packing lunches. Yoghurts such as "Nut Clusters" can easily be bought as part of a multipack and could make their way into a lunch bag/box.
